THE WOOD & MARSH JUVENILE COMEDIANS.

A few mouths since, the undersigned, while casting about him for some new feature in the way of public enter-ainment, conceived the idea that a troupe of juvenile com-A few months since, the undersigned, while cashing about him for some new feature in the way of public emeratinment, conceived the idea that a troupe of juvenile comit dians could be made a permanent attraction in New York, and he at once associated himself with Mr. Marsh for the pupose of testing the truth or faisity of his impression. Accordingly, after a large outlay of money, and untiring perseverance for some months, the beautiful little temple, known as the liroadway Varieties, was inaugurated, and the result is before the public. A year has not yet passed by since the enterprise was projected, and the chilsren have not only received the unqualitative, was insugerated, and the result is before the public. A year has not yet passed by since the enterprise was projected, and the chilsren have not only received the unqualitative, was insugerated, and the results before the public. A year has not yet passed by since the enterprise was projected, and the chilsren have not only received the unqualitative that was a subject to the public of the public of the public of the produce this result, for, from the very start, their success was complete. They jumped at once into popular favor—they took the affections of their auditors by storm as it were—and if any further proof were wanting to show the estimation in which they are held by the public, it is to be found in the fact that since their departure, some weeks since, on a travelling tour through Buffalo, Mentreal, Toronto, and other citizens—in all which places they have created a perfect furore of excitement—we have been fooded with communications from their admirers among the premiuent citizens of New York, couched in the most affectionate terms, desiring to be informed as to their whereabouts, the state of health among them, their success abroad, the date of their probable return, Ac., Ac., it would be impossible for us to answer the inquires individually, and we therefore take advantage of the columns of a new papare having the most extensive circulation to

sentations, which we firmly believe will have defined forms lived!.

In conclusion, we would say that in all probability the precotions little folks will again meet their kind friends at 472 Froadway on the 16th ultimo, and, in the meantime, they beg, through us, to express their thanks for past favors to a generous public, and their determination to always descrive the esteem in which they are held by faithful diligence and uniting efforts to make the probability of the statement of the statem A THEN.EUM, 654 BROADWAY, BELOW BOND ST.—
